

# PUTIN LIES

In a society that doesn't tell the truth anything goes. If a husband and his wife are not frank and open with each other, their marriage will eventually fail. Telling the truth is the foundation of any marriage, and ANY relationship, in business, politics, government, and also as we will see today, in the media. Without the TRUTH there can be NO foundation for life.

Therefore, how much confidence can you have in your government if it LIES to you?

As an example, take the headline for this story, "**Putin lies.**" When you read it, were you thinking, "*Is this another lie coming out of*

**By how I portray Putin, you will form an opinion of the man—one way or the other**

*the Kremlin?"* Or were you of the opinion that, "*Putin is a liar anyway, and this is just one more?*" Or maybe you were expecting me to share a complete list of the lies Putin has told since he's been the President of Russia? Whatever you thought about that headline, most people would assume that Putin is a "LIAR." Would they not?

**WATCH THE MEDIA'S "SLANT" ON ALL NEWS STORIES**

Depending on how I write this story, and how I portray Putin, you will form an opinion of the man—one way or the other—good or bad. But if you were thinking any of the above thoughts about Vladimir

Putin, NONE of them is the subject of this story.

I cannot vouch for the truthfulness, or otherwise, of the Russian President. And I don't know if he's ever told a lie or not. But, for that matter, we've all lied sometime in our lives. And just ONE lie—that hasn't been forgiven by God—will take us to hell.

"But the fearful, and unbelieving, and the abominable, and murderers, and whoremongers, and sorcerers, and idolaters, and ALL LIARS, shall have their part in the lake which burneth with fire and brimstone: which is the second death" Revelation 21:8

But I can tell you that the elite-controlled world media has done an incredible disservice, to this man and his country, by a long-standing and systematic campaign of lies about him and his nation. So much so, that Putin and Russia are now trash in the minds and hearts of the free world.

And even the phrase "free world" is a joke. If much of our world knowledge is based

**And just ONE lie—that hasn't been forgiven by God—will take us to hell**

upon "lies"—which sadly it is—we're not FREE at all, we're BOUND. For decades our governments, politicians, military experts, educators, doctors, and even our trusted scientists, have systematically lied to us. What kind of a foundation is that?

The media has reported those lies as the TRUTH and we believed them. So much so, that we now quote many of those lies, convinced they're the truth. And yet, so much of what we've been told in recent history, are no more than fabrications.

#### **FIVE EXAMPLES OF HISTORIC LIES**

Shortly, I'm going to give you five well-known examples of historic lies, and that's just the tip of the iceberg. And when I do, you'll either think I'm joking, I've been misled, or that I'm just a *Conspiracy Theorist*. That's because you and I have been so brainwashed over the years by so many sources. Today, more than 90-percent of all media releases are written by public relations "spin masters," in government agencies

**"If you're not careful, the newspapers will have you hating the people who are being oppressed, and loving the people who are doing the oppressing."**

MALCOLM X

or corporate headquarters worldwide. This propaganda is fed to the world's elite-controlled media, who then broadcast it to us—the gullible public—via radio, television and print. Now I can speak with some authority here. For the past 40 years, I've worked in the media in Australia and the United States. So I know what goes on. I've heard the lies first hand.

In the 1960s, when we interviewed politicians, or whoever, we used 30-second sound bites of the conversation, so these people could explain what they meant. Today, the sound bites are six words or less, and the journalist tells you what they said. Therefore, the journalist can put any slant on the story he wants. Also, back then, many newsrooms employed investigative journalists, who researched stories, checked the validity of media releases, interviewed experts in the field, and wrote their own analysis of the subject material.

No more! The investigative journalist has all but VANISHED from newsrooms, along with the majority of independently owned media outlets

who once employed them. That has not happened by chance. The media has been sold out. It's gone global. Today, the majority of the world's media is controlled by just four men, one of whom is Rupert Murdoch. They're part of the global elite that control governments, nations, corporations and the hearts and minds of all humanity. And these international news organisations write their own versions of HISTORY.

Here are just five examples of the history of LIES from the news media. Today, where everything is time critical, and produced for the least number of bucks, they simply quote, word-for-word, from frequently deceptive media releases, sent from government agencies, global corporations and elsewhere.

**LIE #1—EVOLUTION:** Perhaps the biggest lie of all time, taught for more than a century, in government schools and institutions of higher learning, and bankrolled by every government on earth, is the Theory of Evolution. It's a blatant LIE, designed to rob believers and their children of their faith in God. When you've got the Theory of Evolution, as your master designer, who needs a God to mess with? I could spend hours debating the fallacies of this "theory," but suffice to say what Charles Darwin said several times about the EYE, in his book, "Origin of the Species," first published November 24, 1859.

*"To suppose that the EYE with all its inimitable contrivances for adjusting the focus to different distances, for admitting different amounts of light, and for the correction of spherical and chromatic aberration, could have been formed by natural selection, seems, I freely confess, absurd in the highest degree."*

\*Charles Darwin, The Origin of Species (1909 Harvard Classics edition), p. 190.

Charles Darwin admits in his book, natural selection is "absurd in the highest degree?" And if the EYE could not have "evolved" by natural selection, as Darwin admitted, that fact alone cancels out everything else in his "theory." Creation is the only other alternative. As the Bible clearly says, God created the universe and everything within it.

"For in six days the LORD made heaven and earth, the sea, and all

**The Theory of Evolution is a blatant LIE, designed to rob believers, and their children, of their faith in God**

that in them is, and rested the seventh day: wherefore the LORD blessed the sabbath day, and hallowed it." Exodus 20:11

God spoke the universe into existence. That's it. Case closed! And yet, because we believe a lie, and we teach our children that LIE, we and our children are CURSED!

"Hear, O Israel: The LORD our God is one LORD: 5And thou shalt love the LORD thy God with all thine heart, and with all thy soul, and with all thy might. 6And these words, which I command thee this day, shall be in thine heart: 7And thou shalt teach them diligently unto thy children, and shalt talk of them when thou sittest in thine house, and when thou walkest by the way, and when thou liest down, and when thou risest up. 8And thou shalt bind them for a sign upon thine hand, and they shall be as frontlets between thine eyes. 9And thou shalt write them upon the posts of thy house, and on thy gates." Deuteronomy 6:4-9

In a generation obsessed with the acquisition of worldly knowledge, we are willingly ignorant of the greatest font of wisdom, knowledge and understanding ever given to mankind. The WORD of GOD not only created the world, and the universe that surrounds it, it empowers it, and it has sustained it, even until this day: and will do so for all eternity. And yet, even today, the media and secular society continues to peddle the gigantic "Theory of Evolution" LIE, destroying the faith of billions of souls which Almighty God personally created.

## President Franklin D. Roosevelt, declared it to be "A day of infamy"

**LIE #2—PEARL HARBOUR:** Just before 8am, on Sunday December 7, 1941, the Imperial Japanese Navy made a surprise attack on the United States naval base at Pearl Harbor, Hawaii. And American President Franklin D. Roosevelt, declared it to be "A day of infamy." It may have been a "*day of infamy*," but it certainly wasn't a "surprise" as Roosevelt thereafter declared. Four months earlier, the U.S. military intelligence had broken the top secret Japanese diplomatic code "*Purple*." Consequently, British intelligence deciphered a Japanese diplomatic communiqué, which spoke of a pending Japanese invasion somewhere in the Pacific. Churchill immediately warned FDR.

Then just two weeks before the deadly attack, Churchill again called Roosevelt in the Oval Office, and gave him the full details of the assault, deciphered from a second Japanese communiqué. The loca-

tion would be the Pearl Harbour Naval Base, Hawaii, and it was to be on Sunday, December 7, 1941 early in the morning.

FDR immediately ordered 18 of his newest warships, destroyers and aircraft carriers out to sea; leaving the aging USS Arizona, several carriers and support ships in the harbour as "bait" for the Japanese. The bombardment killed 2,386 Americans and wounded another 1,139. So why did Roosevelt leave these ships and their vulnerable crews in Pearl Harbour to be destroyed? We now know Roosevelt sought an excuse to enter WWII. The American people were reluctant to get involved in any more foreign wars because they'd lost too many servicemen in WWI.

FDR needed a confrontation to change their minds. So a few weeks earlier, he cut off Japan's fuel supplies and they had no fuel of their own. The Japanese had no other option but to retaliate. The attack angered Americans, and within hours their country had entered the war. But Roosevelt was not caught by surprise. He took his nation to war on a LIE—costing 405,399 American lives. Recently released formerly Top Secret CIA documents confirmed that fact.

***"That's one  
small step for  
man: one  
giant leap for  
mankind."***

Neil Armstrong

**LIE #3—THE MOON LANDING:** Proclaimed worldwide by NASA, the U.S. Government and the world's media, to be "man's greatest achievement," was American astronauts landing on the surface of the moon. You've seen the grainy TV pictures with your own eyes. Who could doubt it? On July 20th, 1969, Apollo 11 astronaut, Neil Armstrong stepped down from the ladder of the "Eagle" Moon Lander onto the surface of the moon. As he did, he uttered these famous words, *"That's one small step for man: one giant leap for mankind."*

But what he said was not spoken spontaneously. When Armstrong was handed those words at Cape Canaveral, before he boarded the spacecraft, he said, *"Who wrote this crap?"* We now know the Apollo space missions were part of America's multi-billion-dollar propaganda program to prove their superiority in the Space Race. And it worked. It showed Russia and the rest of the world that America was undisputedly #1.

The fact that Neil Armstrong, Buzz Aldrin and Michael Collins never went anywhere near the moon is inconsequential. Apollo 11 circled the earth for several days, and then successfully "splashed down" in the Pacific Ocean, to the delight of President Nixon and the rest of the world. The "moon landing" footage—that we all watched on TV—had been shot weeks earlier by film director, Stanley Kubrick, in a studio at Spotswood, near London. As Nixon said, *"just in case the actual footage from the moon was such poor quality it couldn't be broadcast."*

No man has ever ventured beyond the Van Allen Radiation belt, which surrounds the earth's atmosphere, and lived. Russian cosmonauts have, but they returned dead in their capsules. The bottom line is this, the moon landing was a vast U.S. Government hoax, perpetrated by the mass media, glorified by Hollywood, and believed by all of humanity. But it was a pre-meditated lie of gigantic proportions.

**But here are the **FACTS**. No bodies from the aircraft were ever found in the wreckage. There were even no aircraft seats found in the rubble when the buildings came down.**

**LIE #4—911:** Indisputable evidence now confirms that the U.S. government had prior knowledge of, and orchestrated, the September 11, 2001 attack on the twin towers at the Trade Centre in New York City. But hold on, the American government told us 19 terrorists did it. It was all over the media: radio, television and newspapers ran that story for months. But they didn't tell you the TRUTH. There were not only NO terrorists on board either of the aircraft that crashed into those towers. Neither were there any passengers or crew.

The aircraft, which had no windows, were flown by "wire" (remote control). They were grey-painted, military drones, filled to the brim with AvGas that caused those massive fires. And on that day, 2,996 innocent people died. They all worked in, or were visiting, those two World Trade Centre buildings.

But here are the FACTS. No bodies from the aircraft were ever found in the wreckage. There were even no aircraft seats found in the rubble

when the buildings came down. They never told you that bit of news did they? And here's something else that wasn't ever reported. Those two 110 floor buildings were designed to withstand the simultaneous impact of "two," not just "one," large airliners. And yet, both towers shook, with the impact, but never fell. They only collapsed some 40 minutes later like a planned demolition. And upon careful examination of the video footage, and eyewitness evidence, the North Tower, the South Tower and also Tower Seven (which was not hit by any aircraft) were indeed planned demolitions.

Evacuating New York Metropolitan fire fighters testified, on camera, that carefully positioned charges, on the support pillars of each floor, went off "pop, pop, pop, just like a planned demolition, as we were exiting the building." Again, video footage shows those strategically placed and meticulously timed explosions, on the floors below the fires, brought those buildings down. These charges, set several months earlier, cut each support pillar at floor level of each building, causing their complete collapse.

Controlled Demolition Inc., who handled the clean up of Ground Zero, previously advertised that when they "pull" a building, their explosives cut the pillars at each floor so these sections can be easily loaded onto trucks and carted away. Although I'm not accusing that company of planning the "demolition" of those three Trade Tower buildings, whose support pillars were cut at each floor level, and removed on trucks, just as Controlled Demolition Inc. does when they demolish a building.

Lastly, Mossad, the Israeli Secret Service, had warned the U.S. Government, and the FBI, two weeks earlier that they had intelligence that aircraft would hit the Twin Towers on September 11, 2001. In fact, prior to that date, Mossad sent a camera crew to film the event: and they did.

Sadly, the real reasons for 911 were hidden from the general public and still are. President George W. Bush and the U.S. government wanted to get their hands on the oil wells of the Middle East. So on 911, they declared their "War on Terrorism" which gave them an excuse to "invade" any country on earth to eradicate "terrorism" and their "terrorists."

Hence the following appalling loss of life in U.S. initiated wars in Iraq, Afghanistan, the U.S. bombing of Kosovo, the so-called

humanitarian mission in Libya, and their infiltration of Syria and the list goes on. All those world-changing, mega trillion dollar-earning, life-destroying conflicts, were initiated on the back of massive lies from the wealthy globalists, the U.S. government, international corporations and the mass media. And all these "wars and rumours of wars," have filled the coffers of the world's ultra-elite. But it's blood money, and these guys have got real blood on their hands and so much to answer for.

**LIE #5—DEMOCRATIC ELECTIONS:** Another lie we've been told is that one of the advantages of a democracy over a dictatorship, is that if you don't like the incumbent government, at least you can kick them out at the next election. That may have been true before electronic voting. But it's not true anymore. Several years after John Kerry unsuccessfully ran against George W. Bush for America's 43rd president, I heard an interview with a software developer on an "alternative" radio station in the U.S. He'd written a program for the U.S. government, which flicked every third vote for front-runner Kerry, over to Bush. So now the New World Order can put anyone they want into power. That's comforting to know isn't it?

That secret has been known for a very long time, but few people have the courage to reveal it. In a speech made to Columbia University on November 12, 1963, ten days before his assassination, President John Fitzgerald Kennedy made this startling admission.

***"The high office of the President has been used to foment a Plot to destroy the American's freedom and before I leave office, I must inform the citizen of this plight."*** —JFK

No wonder they wanted to get rid of him. The elite don't tolerate whistle blowers.

## SWORN TO SECRECY

For more than 200 years, this evil group of obscenely-wealthy individuals have been striving towards the implementation of their New World Order enslavement of mankind. If you don't believe that statement, believe their own words.

David Rockefeller, in an address to a Trilateral Commission meeting in June of 1991 remarked: *"We are grateful to the Washington Post, the New York Times, Time magazine and other great publications whose directors have attended our meetings and respected the promises of discretion for almost forty years. It would have been impossible for us to develop our plan for the world if we had been subject to the bright lights of publicity during those years. But, the world is now more sophisticated and prepared to march towards a world-government. The supranational sovereignty of an intellectual elite and world bankers is surely preferable to the National auto determination practiced in past centuries."*

Prime Minister, Benjamin Disraeli, of England, in 1844, said it in a nutshell:

*"The world is governed by very different personages from what is imagined by those who are not behind the scenes."*

World-renowned scientist, visionary, and New World Order advocate, Albert Einstein, put it this way: *"There is no salvation for civilisation or even the human race, other than the creation of a world government."*

**"It is a big idea: a new world order... only the United States has both the moral standing and means to back it up."**

*Former President George Bush, State of Union address, Jan. 29, 1991*

In a letter written by Franklin D. Roosevelt to Colonel House, on November 21st, 1933 he made this "insider" statement: *"The real truth of the matter is, as you and I know, that a financial element in the larger centers has owned the Government ever since the days of Andrew Jackson."*

British Prime Minister and famous Freemason, Winston Churchill expressed his support of the New World Order with these words: *"The creation of an authoritative world order is the ultimate aim toward which we must strive."*

In his book entitled **"The New World Order"** (1939), H. G. Wells said this: *"... when the struggle seems to be drifting definitely towards a world social democracy, there may still be very great delays and disappointments before it becomes an efficient and beneficent world system. Countless people ... will hate the new world order ... and will die protesting against it. When we attempt to evaluate its promise, we have to bear in mind the distress of a generation or so of malcontents, many of them quite gallant and graceful-looking people."*

More recently, these prominent men have promoted the same cause. President George H. Bush announced the NWO publically on September 11, 1990. Thereafter, Bill Clinton actively promoted it, George W. Bush, Tony Blair, Gordon Brown, and most world leaders championed it, and now Barak Obama, the new kid on the block, is pushing it as hard as he can. You've obviously familiar with name New World Order, but like 99-percent of humanity, you know nothing about how it works. Right? Unless, of course, you belonged to one of the secret societies that perpetrated this evil scheme of human enslavement and are sworn to secrecy.

Finally, Henry Spaak, Belgian Socialist, politician and statesman, who served as Prime Minister of Belgium, and former Secretary General of NATO, made this extraordinary statement: *"What we want is a man of sufficient structure to hold the allegiance of the people, and to lift us out of the economic morass into which we are sinking... Send us such a man, and be he God or the Devil, we will receive him"*

**"If you tell a lie big enough and keep repeating it, people will eventually come to believe it."**

## THE PUTIN FACTOR

Now let's get back to Vladimir Putin. And let me preface this by acknowledging that I have NO political leanings towards any nation or any national leader. I am a political atheist. They are all corrupt to their eyeballs. All I want you to know is the TRUTH. And the truth is that the American government, through their news agencies, and the world's media, are waging a sophisticated slur campaign against Putin and Russia. In the U.S., politicians and the news media have recently been referring to Vladimir Putin as Adolph Hitler.

These recent comments by Vladamir Yakunin, a former senior diplomat, who now heads the Russian Railways, may explain why. He said, *"We are witnessing a large geo-political game of which the aim is the destruction of Russia, as a geo-political opponent of the U.S. of this global financial allegacy."*

The American media made up spurious stories against Russia during the Moscow Olympics. Then they accused Putin of "invading" Ukraine. They failed to mention, that since the late 1990s, as part of an agreement, they're allowed to have 25,000 troops on the ground in Ukraine. Those Russian soldiers are there as part of 40-year agreement. And yet, America claims a Russian military "invasion." That's a lie.

In December 2013, top U.S. diplomat, Victoria Nuland, announced that the United States had *"invested \$5 billion dollars to help Ukrainians achieve a new form of government."* The truth is America, NATO and the EU funnelled \$5 billion dollars into the hands of the so-called Neo-Nazi Svoboda Party to overthrow

the previous Russian-leaning prime minister. They want Ukraine to join the EU, reduce their dependence on Russian natural gas supplies, by enabling Shell to do shale gas hydraulic “fracking,” and oil and gas exploration, and allow America to install missile silos right on the Russian border.

On March 16, Crimea voted for their independence from Ukraine, and are actively seeking to re-join Russia. The move angered the west. So now, America wants to destroy Russia. And if it takes a thermonuclear war to achieve their objective, Washington couldn’t care less. The U.S. and the EU are now imposing debilitating sanctions on Russia, which will force the Bear to retaliate. If the U.S. goes to war, this time, missiles will begin raining down on the homeland, and when the radiation finally settles, America as we know it may cease to exist.

So from now on, watch out for a concocted “false flag” event on the high seas, in the air, on American soil, or at a U.S. Embassy abroad, to get the American people behind their war plans. That’s exactly what FDR did in the 1940s, to change the minds of the American people so he could drag his nation into WWII. And as we know, history has a habit of repeating itself: particularly if, once again, you have the ultra elite pulling

the strings.

Founder and publisher of the well-respected, Trends Journal, Gerald Celente, puts it this way, “What you have over here, you have a trade war, you have a currency war and you have an energy war. Particularly when you see those Neo-Nazi groups that hold so many positions at the top...this has got nothing to do with freedom and democracy, to free Ukraine from the claws of the

*Russian bear.”*

Who then is more honourable, Vladimir Putin or Barak Obama? Putin’s speech to the Valdai-Forum on September 19, 2013, will give you some idea. In it, he exposes America’s plot to rule the world and the root cause of their current malaise. What he said will astound you. As it did me!

## GOD'S OPEN REBUKE TO AMERICA AND THE WORLD

In 2013, Putin exposed the moral crises in the West, laying the blame squarely at the feet of the American government for pushing their world government agenda, forsaking their Christian roots, rejecting morality, by actively promoting homosexuality and paedophilia and other immoral minority objectives. You can watch a three-minutes excerpt from his speech, with English subtitles, at the URL below.

## **WHAT AN AFFRONT, PUTIN REBUKING THE UNITED STATES**

You might say *"What right has a heathen king, the president of the Russian Federation, got telling us how to live, when his nation rejects Jesus Christ and the God of the universe?"* But remember how God used the heathen ruler, *Cyrus king of Persia*, to instigate the rebuilding of his temple in Jerusalem (Ezra 1:1-4) and later, in Isaiah 44, God described him as *"My shepherd."*

"Now in the first year of Cyrus king of Persia, that the word of the LORD by the mouth of Jeremiah might be fulfilled, the LORD stirred up the spirit of Cyrus king of Persia, that he made a proclamation throughout all his kingdom, and put it also in writing, saying, <sup>2</sup>Thus saith Cyrus king of Persia, The LORD God of heaven hath given me all the kingdoms of the earth; and he hath charged me to build him an house at Jerusalem, which is in Judah. <sup>3</sup>Who is there among you of all his people? his God be with him, and let him go up to Jerusalem, which is in Judah, and build the house of the LORD God of Israel, (he is the God,) which is in Jerusalem. <sup>4</sup>And whosoever remaineth in any place

where he sojourneth, let the men of his place help him with silver, and with gold, and with goods, and with beasts, beside the freewill offering for the house of God that is in Jerusalem." Ezra 1:1-4

"That saith of Cyrus, He is my shepherd, and shall perform all my pleasure: even saying to Jerusalem, Thou shalt be built; and to the temple, Thy foundation shall be laid." Isaiah 44:28

President Barak Obama is also a heathen king, and on June 28, 2006, this avowed Muslim and homosexual sympathiser, made the following statement regarding 21st century America:

***"Whatever we once were, we are no longer a Christian nation."***

— President Barack Obama

## **DARK DAYS AHEAD**

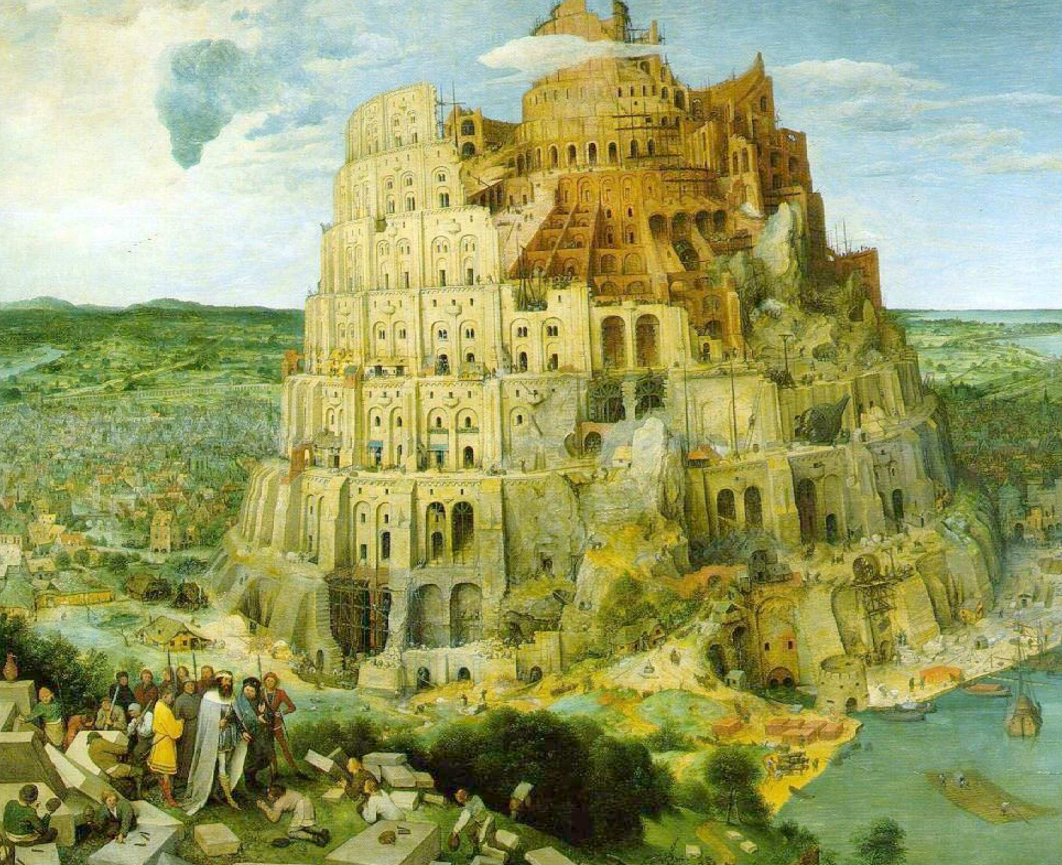

So, in the eyes of their president, America is no longer Christian. Now you can see why God used Putin to deliver him and his nation a stunning rebuke. And it's no coincidence that Obama is America's first dark-skinned president, coming to power in these LAST days of man's wicked rule on this planet. Obama had no say in the country of his birth, nor did you and I. But God was making a point in his election as President of the United States?

Compared to her early more glorious beginnings, when God was on everyone's lips, today America has rejected the supernatural God of the Bible, and is experiencing some very DARK days indeed. She is at war in the home, in the streets, in politics, in business, in religion and on the battlefield. And every war the U.S. has instigated in the past 60 plus years, she has lost.

When Israel's leaders and their people walked with God, they were militarily victorious and the land was blessed. When they turned their backs on God, they were cursed.

**What right

3And they said one to another, Go to, let us make brick, and burn them thoroughly. And they had brick for stone, and slime had they for mortar. 4And they said, Go to, let us build us a city and a TOWER, whose top may reach unto heaven; and let us make us a name, lest we be scattered abroad upon the face of the whole earth." Genesis 11:1-4

### THE CRUEL LEGACY OF APOSTASY

Today, a black leader rules in Washington with a similar mindset. He too envisages a

unified world—a New World Order—without God. But Barak Obama is no more than a puppet for the NWO. He does what he's told. The real rulers of this world work for the devil and he is our REAL ENEMY.

"For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places." Ephesians 6:12

"And have no fellowship with the unfruitful works of DARKNESS, but rather REPROVE them." Ephesians 5:11

But America is a very different Babylon from the Babylon of Nimrod's time. Obama's bankrupt nation is buried in debt—as is the rest of the world. Worse still, she is now under God's judgment for initiating numerous conflicts for no more than financial gain, and for forcing Israel to give up more and more of her precious, God-given, land to militant Palestinians in the guise of "peace in the Middle East." Remember this is the land God promised to Israel forever.

Consequently, the U.S. is currently being washed by increasing waves of radiation from the meltdown at the Fukushima Nuclear Power Plant in Japan. Six days after the earthquake caused tsunami and initial meltdown, in March 2011, airborne radiation spread across North America. ## America is a very different Babylon from the Babylon of Nimrod's time

Welcome to downtown USA today, and the rest of western nations for that matter. We're a demon-possessed, drug-dependent, violent, proud, pleasure-seeking, hedonistic, perverted, immoral, adulterous, apostate, sick, sorry and fearful generation. We're simply reaping what we've sown.

"Be not deceived; God is not mocked: for whatsoever a man soweth, that shall he also reap. 8For he that soweth to his flesh shall of the flesh reap corruption; but he that soweth to the Spirit shall of the Spirit reap life everlasting." Galatians 6:7-8

History says that Nimrod son of Cush, grandson of Ham, great-grandson of Noah, was a BLACK Mesopotamian monarch and "a mighty hunter" (Genesis 10:8-9). He founded the first empire after the Flood, and his realm comprised the Mesopotamian cities of Babylon (Babel), Uruk, Akkad, and Calneh.

Jewish historian, Flaveous Josephus, said the name Nimrod means "*We will revolt*," and that this king was a tyrannical ruler who revolted against God, and built the city of Babel (Babylon) and the Tower of Babel.

"And the whole earth was of one language, and of one speech. 2And it came to pass, as they journeyed from the east, that they found a plain in the land of Shinar; and they dwelt there.

# Most Americans are in the dark as to what's happening... as is the rest of the world

the Pacific Ocean. And although a network of privately-owned Geiger counters are showing dangerously high levels of air-borne radiation right across the U.S., the government is denying there's a problem, and they're doing NOTHING to warn their vulnerable population.

Most Americans are in the dark as to what's happening. And Washington refuses to conduct meaningful scientific radiation tests. But in December last year, one federal department pur-

chased 14 million doses of potassium iodide. Why would they do that if there was NO problem?

The Oval Office is also not telling you that the incidence of thyroid cancer in Washington State is going through the roof, more and more babies are being aborted or born deformed, and abnormalities are widespread. Would the U.S. government's silence on this critical issue have anything to do with their plans to build more nuclear power stations across America, or their reluctance to pay huge compensation bills?

In essence, the powerful elite who put Obama in the White House is rebuilding the Tower of Babel into which they plan to enthrone their antichrist god. The skies are black everywhere, and there are indeed DARKER days ahead, for America and for the rest of the world. And whether or not someone like Barak Obama leads this one world government, it doesn't matter. Jesus Christ is coming SOON. And his kingdom will not be a kingdom of DARKNESS. It will be a kingdom of his glorious LIGHT. And it will be a kingdom that will never be shaken or removed. He will rule forever on the earth. And it is Jesus Christ my soul longs to see.
